Minor Children subject to the Jurisdiction of this Court

PETITION IN DEPRIVATION

This petition is brought before the Court to assert that the above children are deprived in their mother's care.

1.

The Petitioner, **JOHN K. PETERSON**, is the biological and legal father to the children. He lives at ~~714~~ Randolph Street, Warner Robins, Georgia 31088 with the four children.

715

2.

The mother of these children **PANDITA CHARM JOY PETERSON** advised Sgt. Harper of the Houston County Sheriff's Office that she resides at 3573 Valley Drive, Perry, Georgia. This is the address listed with Social Security and the Veteran's Administration for benefits for the children. The mother is a citizen of Jamaica with a green card to live in the United States. She is currently in Guadalajara, Mexico. The mother has been notified by the Department of Family and Children's Services of this Petition and the shelter care Order.

3.

The father and the mother were married during the births of each of these children and are currently married.

4.

While the family was visiting Mexico, the mother's parents confiscated and hid the passports for the children. The mother and her parents are members of The Family International. By withholding the children's passports from their father, the children were abducted in Mexico. The father returned the children to their place of residence, Perry, Georgia without passports under the Hague Conventions.

5.

The child is deprived and in need of the protection of the Court because the mother is under the influence of The Family International. This organization abducted her children by confiscating their passports. The children were inappropriately fed and schooled in Mexico under the direction of this organization. The father is in fear that the teachings of this organization will lead to sexual abuse as well as physical abuse of his children.

6.

The mother remains in Mexico despite the fact that the children have been returned to their place of residence, Houston County, Georgia.

7.

The best interests of the children would be served with an Order finding deprivation against the mother and granting Temporary Custody to the Petitioner.

Respectfully submitted this 13th day of October, 2010.
